

BRITISH ORTHOPAEDIC RESEARCH SOCIETY

President: Professor Gordon Blunn

President Elect: Prof Mark JM Wilkinson

2017 ANNUAL MEETING, Imperial College, London.
4th & 5th September, 2017.

BURSARIES

How to apply and eligibility criteria

The British Orthopaedic Research Society is pleased to offer bursaries to fund registration, travel and accommodation for research students and technicians who are presenting abstracts at the Society's Meetings (the entitlement will be restricted to one bursary per annum).

The bursaries will be for a maximum of £100, and limited in number. Should the bursaries become oversubscribed, then the abstract score will be taken into account. Priority will be given to first time applicants and those who would otherwise have to self-fund their attendance.

Eligibility criteria

Award applicants must earn under £19,000 per annum

Applicants will be requested to provide confirmation that their earnings are less than £19,000 per annum, verified by their line manager. Please send completed [confirmation of eligibility form](#) to Rachel Godfrey (borsrg05@gmail.com).

Please indicate on the abstract submission form if you are eligible and would like to be considered for a bursary.
